Staff Development Registration Directions

Visit our home page at www.mbaea.org. Next, hover over Professional Development and click Registration. The following are step-by-step directions to help you navigate the program.

• Click on “Staff Development Courses” in orange letters.

• When you get to the Staff Development On-line Registration page click on “Click Here” highlighted in blue, next to “To sign-up for a Class or Workshop,” in red.

• You may either enter your User ID and Password or you need to create an account if you haven’t registered previously. Please follow the directions for this process closely. Your user ID is your first initial of your first name and complete last name (all in lower case) and your password needs to be at least 6 characters. Click the Logon button once your information is entered.

• Click on the Icon – View By Alpha at the top of the screen. You can then view a list of courses in alphabetical order.

• Once you have selected the course you would like to register for, click on the course title link.

• Click on the course session and date you have chosen (some classes are offered more than once). Make sure you check the status button to be certain it is still open.

• On the next screen you can review the dates, instructor information, credit options, and get a map to the location. If the course is a credit course, you will need to select your credit option. Scroll down the rest of the screen and click on the button at the bottom of the screen once you are ready to register.

• The next screen is your personal information. Once you have verified and added the necessary information, you will go down to the payment portion of the form and select the payment option that works best for you. If you select credit card, your account is charged immediately. If you select echecking, payment will be deducted immediately. If you select purchase order, please have the School District generate and send to Staff Development prior to the start of the class: Mississippi Bend Area Education Agency, Staff Development, C/O Betsy Justis, 729 21st Street, Bettendorf, IA 52722.

• Finally click on the “Submit Registration” button.

• Registrations processed after the close date of the course will be charged an additional $25 late registration fee.

• Cancellations must be received two weeks prior to the start of the course to receive a full refund. Registrants cancelling after the registration close date will be charged a $25 cancellation fee. No refunds will be issued after the start date of the course.

Staff Development Listserv

Sign up now to receive Staff Development course and workshop information via email. Join the Mississippi Bend Area Education Agency Staff Development Listserv by going to the internet and typing in http://www.mbaea.org/04/maillistinfo.php and follow the directions on the screen. You will receive bi-monthly updates of the latest AEA professional development information!

Teacher Advisory Groups

Your questions and comments are important to us. Each building in Area Nine has a representative for the Mississippi Bend Area Education Agency Teacher Advisory Group. The Group meetings include a brief introduction by the Mississippi Bend Area Education Agency Chief Administrator then becomes an open forum for participants to talk about services and ask questions. Your building principal appoints a representative, so contact your representative and be part of your AEA.
