

Attention Teachers of Second and Third Graders!

Mark your calendars for a special conference, *Impacting Learning in My Classroom*, just for you!

ISEA and Iowa ASCD (Association for Supervision and Curriculum Development) are collaborating to offer a hands-on day of learning for, and by, second- and third-grade teachers. Together we will explore great examples and networking around the Iowa Core—math and literacy, technology, and RTI/Differentiation/IDM in your classroom.

Grade 2

April 26 – Impacting Learning in My Second-Grade Classroom

Focus – See First Hand Best Practices in Iowa Core Literacy, Iowa Core Math, Technology with My Students, and RTI with My Students; time for networking as well.

8:00 a.m. – 4:15 p.m. (continental breakfast and lunch served)

Stoney Creek Inn, Johnston, IA

\$90 if ISEA or Iowa ASCD member; \$150 for non-members

Includes opportunities for follow-up webinars and tweeter chats as well as Grade 2 website of resources

Click here to register! Space is limited!

Grade 3

April 27 – Impacting Learning in My Third-Grade Classroom

Focus – See First Hand Best Practices in Iowa Core Literacy, Iowa Core Math, Technology with My Students, and RTI with My Students; time for networking as well.

8:00 a.m. – 4:15 p.m. (continental breakfast and lunch served)

Stoney Creek Inn, Johnston, IA

\$90 if ISEA or Iowa ASCD member; \$150 for non-members

Includes opportunities for follow-up webinars and tweeter chats as well as Grade 2 website of resources
