Credit will be available for Option 2

Registration Information: Please register on staff development after March 1, 2012.

### INFORMATION REGARDING OPTIONS AVAILABLE

Option 1: Investigating the Core will deepen understanding among leaders in your school as to the big shifts that will need to occur for instruction and learning. This training will serve as a train the trainer model.

Option 2: Attendance at Option 1 is required. From these attendees, \*two teachers from the k-2 span \*two teachers from the 6-8 span will continue their learning through English Language Arts Unit Design to also:

- Increase their content knowledge to teach ELA
- Design, administer, and collect pre, formative, and summative assessments in order to guide instructional decisions for the success of each and every learner
- Increase their knowledge, understanding, and skills to develop and carry out rigorous lessons designed around the Iowa Core

\*Registration will be capped at 80 k-2 teachers and 50 6-8 teachers.
