Thursday, May 13 @ St. Ambrose University, Davenport - Luncheon**

Discussion:

- There was an excellent turn-out of families for Parts I and II of the Scott County Residential Services Options Workshop which was organized by Carol, Michelle, Katy and Julie. The new Housing Flowchart was shared. Thanks to 2 TAB members who spoke on the panel during Part I – Barb and Julie. During Part II we toured the HDC-ICF Facility, an HDC Group Home and a Waiver Apartment supported by New Choices.
- There has been relatively little response to the Scott TAB “Ready for L.I.F.E.” Scholarship Program and Banquet. We discussed strategies to further promote it.
- Jane circulated the draft of the TAB newsletter. It should go out next week.
- We discussed the possibility of a Lunch & Learn on April 23. Charlotte Rashid has agreed to speak on labor market trends and temp options. We discussed inviting other panel members including Job Corps, Iow@Work and Community Action of Eastern Iowa. Tentative location: Fortune Garden on E. Kimberly Rd.
