**MISSISSIPPI RIVER: LANDMARKS AND LEGENDS (0056533)**  
*VHS VIDEO DUB, 60 min., IJ, IOWA PUBLIC TV, 1998*  
 This is designed to expose students to life on the Mississippi River and to give them the opportunity to learn about the transportation, culture, wildlife, history, and commerce of the area. The video of the electronic field trip should also help students make their own connections between the different subject areas, from the past to the future, and from state to state by offering a comprehensive view of the Mississippi River. The following subjects will be discussed: Immigration, Native American history, River Vessels, wildlife, Zebra Mussels, Buttons and Pearls, Fur Trading, Marquette and Juliet, Music and Literature, and Grain Shipping. Earth Trail: Mississippi River series.

**A NEW Feature that WebMax did not have that SNAP does have is the list of items on the right of your search screen for narrowing your search (see below):**

### **Manage Your Cart:**

- You can move the items you want into the 'Search Cart' by clicking on the blue words 'Add Book' or 'Add Video,' etc.

**MISSISSIPPI RIVER: TRADE CURRENTS (0056569)**  
VHS VIDEO DUB, 60 min., IJ, IOWA PUBLIC TV, 1998  
CC - Trade Currents addresses commerce and transportation on the river and its importance to local and oversea markets. Student interact with historians, engineers, boat pilots, and other professionals who live and work along the river. They learn about the function and history of Mississippi River locks and dams as well as river transportation, commodities, and shipping routes. Earth Trails: Mississippi River series.  
Series: [EARTH TRAILS: MISSISSIPPI RIVER](#)  
Subjects: [IOWA](#), [UNITED STATES - HISTORY](#), [SOCIAL STUDIES](#)

Click here to add the item to your cart. Your cart is located in the top right corner of your search screen and looks like this:

Add VHS VIDEO DUB 0056569 to Cart

**My Cart | 0 items**

- You can add as many items as you want into your cart. When you are ready to check out, click on icon in the top right corner. Example:

**Proceed to Checkout**  **My Cart | 1 items**

- Availability defaults to the next time the item is available. Look at the graphic below. Under the word 'Status' you will see a green box which states, "Available." Next to that you will

see 'Needed' and 'Until' categories. Here is where you change your delivery date and your due date by clicking on the blue calendar link under each category.

Remove	Status	Needed	Until	How Many	Resource ID	Resource Name	Resource Type
<input type="checkbox"/>	Available	01/26/11	02/02/11	1	0056569	MISSISSIPPI RIVER: TRADE CURRENTS	VHS VIDEO DUB

**NOTE:** Not all items in the K-12 collection and Professional Library can be reserved ahead of time. Books cannot be reserved – they are on a first come, first serve basis. Only videos, DVD's, Big Books, set books, and Kits can be reserved for a future date.

- In the graphic above, you will see a category for 'how many.' It will automatically tell you how many items are available if there is more than one copy available. This category defaults to '1' unless you tell it otherwise.
- Once you are satisfied with the number of items ordered and dates chosen, click on 'Submit Order' at the top center of the screen.
- After you submit your order, you will see an option to print your order. Be sure to print yourself a copy of your order.
- Once you have submitted your order, these items now move to 'Scheduled Items.' You will find your "Scheduled Items" under the tab labeled "My Account." Click on "Scheduled Items" to see what is booked, when shipped or to ship, when due, etc.

- While in "Scheduled Items," you can extend or cancel items that have not been shipped.  
**NOTE:** You can now "check all" which selects all the items not shipped yet thus allowing you to change the ship/return dates of all the items rather than having to go in one at a time.
- Looking at the graphic above, below is a list of what you will find under each tab:  
 The Home tab strictly takes you back to the Main Search Screen and the Print button strictly allows you to print to a local printer.
