Student Guidelines

Safety

- Inappropriate student conduct that causes material and substantial disruption to the education environment, interferes with the rights of others, or presents a threat to the health and safety of students, employees, or visitors will subject the student to disciplinary measures. (A threat to others is defined as an act which is intended to cause pain or injury, is intended to result in physical contact which will be insulting or offensive, or is intended to place another in fear of immediate physical contact.)
- Weapons, other dangerous objects and look-a-likes present a threat to the health and safety of students and staff and are not permitted.
- Harassment of students by other students or staff of the Mississippi Bend AEA Student Programs Program will not be tolerated. This includes, but is not limited to *race, color, creed, gender identity, marital status, sex, sexual orientation, national origin, religion, age, socioeconomic status, or disability*. Students are expected to remain in the classroom during class time and not roam the hallways unsupervised.

Behavior

- Students are expected to arrive on time, participate in class activities, and show proper respect for teachers, fellow students, and for school property.
- Directing disrespectful or abusive language at teachers or other students will not be tolerated.
- Stealing, vandalizing, or otherwise damaging property will not be tolerated.

Students in violation of the above stated expectations for student safety and behavior will be subject to removal from the Mississippi Bend Area Education Agency's Student Programs. A refund will not accompany removal from the program.
