

Technology Tools for the 21st Century Classroom with Tammy Worcester

Tammy Worcester has over twenty years of educational experience. She began her career in the classroom, teaching various grades from kindergarten to middle school. While teaching, Tammy also served as the technology coordinator for her K-8 school. For the past ten years, Tammy has worked for ESSDACK, an educational service center, as an Instructional Technology Specialist, providing staff development and training in the area of technology integration.

Tammy Worcester will be presenting on four topics:

- *Using iPads in your classroom*
- *Google docs and forms*
- *Cool Tools for the Interactive Whiteboard*
- *Rev Up your Classroom Reading and Writing with Technology (dozens of quick and easy tools for innovative activities)*

NOTE: Registration closes May 24, 2012
