May 16 & 17, 2011

TransformED:  
Educational  
Summit

MUSCATINE SCHOOLS  
Showcasing promising and replicable  
practices to increase student learning using  
a systemic, community-wide approach.

# TransformED

## Sessions will feature K-12 initiatives:

- **Elementary: *The Leader in Me*<sup>TM</sup>**  
Learn and see how students become leaders of their own lives. Hear first-hand how students have developed personal responsibility and leadership capacity.

- **Secondary: *G<sup>2</sup>—Global Generation***  
Learn how students in middle and high school are the center of the learning process in a personalized and engaging environment. Discover how students are involved in complex, real-world applications where they apply their knowledge through an inquiry-based approach.

## *Onsite interactions with Muscatine students and teachers.*

### *Reflect on your district's transformation.*

A.B. Combs Elementary is a Leadership Magnet School in Raleigh, North Carolina that uses the Leadership Model Program. They have received national recognition for their emphasis on developing leadership in young children.

High Tech High serves a diverse student population in San Diego that uses the design principles of personalization, adult world connection, common intellectual mission, and teacher as designer. High Tech High's greatest achievement has been to create and sustain a learning environment that prepares a diverse group of students for post-secondary success.
