**All you need to do is register!**

## A little about the behavior doctor.....

Laura A. Riffel Ph.D. is a behaviorist who specializes in assisting adults to make proactive changes so that targeted behaviors of children disappear like magic. She has trained thousands of teachers, parents, counselors, psychologists, administrators, and bus drivers how to make data based decisions as a way to change behavior. Her trainings are filled with humor and make data collection easy to understand and use in any setting.
