Last Updated December 4, 2008

281—41.172(256B,34CFR300) Access to instructional materials.

41.172(1) *General.* The state:

- a. Adopts the National Instructional Materials Accessibility Standard (NIMAS) published in the Federal Register on July 19, 2006, (71 Fed. Reg. 41084) for the purposes of providing instructional materials to blind persons or other persons with print disabilities in a timely manner; and
- b. Establishes the following definition of “timely manner” for purposes of this chapter: Providing instructional materials in accessible formats to children with disabilities in a “timely manner” means delivering those accessible instructional materials at the same time as other children receive instructional materials.

41.172(2) *Public agencies.* All public agencies must comply with rule 41.210(256B,34CFR300).

41.172(3) *Assistive technology.* In carrying out this rule, the department, to the maximum extent possible, must work collaboratively with the state agency responsible for assistive technology programs.

281—41.210(256B,34CFR300) Purchase of instructional materials.

41.210(1) *General.* An AEA, an LEA, or any other public agency, when purchasing print instructional materials, must acquire those instructional materials for children who are blind or for other persons with print disabilities in a manner consistent with subrule 41.210(3) and ensure delivery of those materials in a timely manner to those children.

41.210(2) *Rights and responsibilities of AEA or LEA.* Nothing in this rule relieves the LEA or AEA or any other public agency of its responsibility to ensure that children with disabilities who need instructional materials in accessible formats, but who are not included under the definition of blind persons or other persons with print disabilities in 41.210(4)“a” or who need materials that cannot be produced from NIMAS files, receive those instructional materials in a timely manner, as defined in 41.172(1)“b.”

41.210(3) *Preparation and delivery of files.* Because the state chooses to coordinate with the NIMAC, an AEA, an LEA, or any other public agency must:

- a. As part of any print instructional materials adoption process, procurement contract, or other practice or instrument used for purchase of print instructional materials, enter into a written contract with the publisher of the print instructional materials to:
 - (1) Require the publisher to prepare and, on or before delivery of the print instructional materials, provide to NIMAC electronic files containing the contents of the print instructional materials using the NIMAS; or
 - (2) Purchase instructional materials from the publisher that are produced in, or may be rendered in, specialized formats.
- b. Provide instructional materials to blind persons or other persons with print disabilities in a timely manner.

41.210(4) Definitions. The following definitions apply to this rule and rule 41.172 (256B,34CFR300), and apply to each state and LEA, regardless of whether the state or LEA chooses to coordinate with the NIMAC:
