The Mississippi Bend Area Education Agency will be offering 6+1 Trait Writing workshop on January 30th and 31st from 8:00 to 3:30 at the Bettendorf AEA 9 Learning Center. The workshop is for teachers in grades 4-12 and is designed for English, mathematics, social studies, science, foreign language, art and music teachers for whom writing is an important part of instruction. Workshop participants will become familiar with the 6+1 Writing Assessment model, the scoring system, a variety of instructional strategies, and become more proficient in scoring student work.

Participants wanting to earn relicensure or graduate credit will need to attend an additional day on March 8th from 5:00 to 8:30. This session will be facilitated by Bruce Bufe, Quality Learning Consultant and Georgie Koenig, Head of Professional Development.

For assistance with registering or questions about the workshop contact Georgie Koenig, Head of Professional Development, at (563) 344-6487 or at gkoenig@aea9.k12.ia.us or Judy Bickle, Staff Development Specialist, at (563) 344-6481 or at jbickle@aea9.k12.ia.us.
