Workshop for Community-School Health Advisory Councils

April 6, 2006

“Innovative and Creative Ways
to Comply with the New
School Wellness Policy”

Sponsored by the

School Health Initiative
of Scott County

MEETING INFORMATION

Date: Thursday,
April 6, 2006

Time: 4 - 6 p.m.

Place:

Genesis Medical Center
Davenport/East Campus
Adler Education Center
1236 East Rusholme St.
Davenport, Iowa 52803

Purpose:

Each school district in Scott County is required to adopt a School Wellness Policy. The new policy presents certain challenges in such areas as meeting nutritional and physical activity requirements as well as restrictions on certain types of fund raising. This meeting provides an opportunity to share innovative and creative solutions that are in place or planned.

AGENDA

4 - 4:10 p.m.

Welcome & Introductions

Jim Lehman, MD
Genesis Health System

4:10 - 5:30 p.m.

Panel Discussion facilitated by
Larry Barker, Director of the
Scott County Health Department

"How We Can Meet the
Requirements of the Scott County
School Wellness Policy"

5:30 - 6 p.m.

Open Forum - Participant
questions and answers

6 p.m. Adjourn

Refreshments will be provided.

Please RSVP to
Darlene Koberg or Jim Lehman
(darlene-koberg@uiowa.edu)
(563) 421-3030
or
lehman@genesishhealth.com)
(563) 421-6503

OBJECTIVES

1. Increase awareness of creative and innovative solutions that will meet the intent of the School Wellness Policy
2. Share "best practices" currently in place or planned by the school districts in Scott County

MISSION

The mission of the School Health Initiative Advisory Board, advocates for school-linked services, is to support achievement of the full potential in every child by identifying, coordinating, and delivering health services.
