

High Schools That Work Workshop

Registration Extended for: [Creating A High-Performance Learning Culture, Presented by Southwest Regional Educational Board \(SREB\).](#)

Registration closes on Tuesday, September 5th. Go to the following link to register:

<http://www.solutionwhere.com/mbaea/cw/showcourse.asp?1411>

The registration is limited, but we have some space available. We are offering the remaining slots to others across the state, so please register soon.

Mississippi Bend Area Education Agency and Davenport North High School are pleased to offer interested high school teachers and administrators an opportunity to register for a four-day (September 11-12, 2006; March 7-8, 2007) High Schools That Work training on Creating a High-Performance Culture. This module is designed to be taught to school leaders and potential school leaders; recommended team size is four participants. Participants must register for all four days. Facilitator will be Sandra Brossard, a national trainer for the Southwest Regional Education Board (SREB).

The attached brochure provides a module summary as well as total cost per participant.. Each session will be held at The Abbey Hotel in Bettendorf, Iowa; a block of rooms is being held at The Abbey Hotel for those who wish to spend the night. When reserving a room, please mention the workshop title.

Space is limited. Registration closes September 5, 2006.

For assistance with registration contact Judy Bickle, Staff Development Specialist AEA 9, at (563) 344-6481 or at jbickle@aea9.k12.ia.us
