Iowa High School Project Announcement

The Iowa High School Project, jointly supported by the Iowa Department of Education and the International Center for the Leadership in Education (ICLE), is a unique opportunity for Iowa high schools to access extensive support to assist in their high school reform efforts from a concentrated focus on struggling learners. A second cadre of twenty (20) Iowa high schools is being invited to apply for participation in the project. Application materials will be available at <http://www.aea13.org/HighSchoolProject> on Monday, September 18, 2006.

A statewide ICN training session pertaining to the project will be conducted on Thursday, September 21, 2006 from 1 – 2:30pm. ICN sites are listed on the accompanying attachment.

Deadline for applications will be Wednesday, October 25, 2006. Applicants will be notified of their selection status in November 2006 with public announcement at the December 2006 High School Summit.

Questions regarding applications for the Iowa High School Project should be directed to Mark Draper at AEA 13 (mdraper@aea13.org).

THIRD HIGH SCHOOL SUMMIT

December 11-12, 2006

In partnership with several Iowa professional groups, agencies and task force efforts on continuing high school improvement, the Iowa Department of Education, will be hosting the Third High School Summit on December 11-12, 2006 at the Iowa Events Center (HyVee Hall).

SAI will be forwarding registration information to superintendents and principals in late September and registration information will be posted on the Iowa High School Project web site <http://www.aea13.org/HighSchoolProject> on Monday, October 2, 2006.
