

Learn how your staff and students can save over 75% off Microsoft retail prices!

Example: Microsoft Office Retail \$399, IEC Iowa Student/Staff Price \$63.15

The Iowa Educators Consortium, IEC, is pleased to announce that selected Microsoft software titles are now available for purchase by Iowa K-12 faculty, staff and students at substantial discounts - over 75% off retail prices! The IEC has made this possible by partnering with Microsoft and participating in the Student Select K-12 agreement.

More information is available on the IEC website at:
